

Dunning Parish Historical Society
A Scottish Charity, registration number SC020518

Membership Application or Renewal, Due 1st October 2022

Data Protection

The Society is required by the law to tell its members what data it holds for them and how it is used. We need to record each member's name and postal address to enable delivery of the Dunningite magazine. For a joint membership the partner's name is also recorded. We also record whether a member qualifies for an age related (junior or senior) reduced membership fee, but we do not record their actual age or date of birth. For a Family membership we do not record any details at all of the children (not even the number in the family). Although we do not require a telephone number or email address we do like to record any we are given as they often prove useful.

If you have told us you are a UK taxpayer and willing to allow us (as a registered charity) to claim an extra 25p per pound from the UK Exchequer, we need to record this.

The Society will never give any of this information to any other individual, company or society without first contacting the member concerned to ensure he or she expressly agrees to this.
